For Immediate Release

**EGO PRODUCTIONS PRESENTS
“SUPEREGO: BLAZE OF AWESOME”
SKETCH COMEDY AT THE SPEED OF LIGHT
THE LAST SHOW. EVER.**

The fourth and **last** installment of the Ego Productions original sketch comedy series features fast paced sketches written collaboratively by the member of Superego.

SUPEREGO: BLAZE OF AWESOME is co-directed by Andrew Stoltenberg and Lizz Leiser.

Focusing on generating material through collaborative writing exercises, **the ensemble puts an emphasis the playwrighting aspect of sketch comedy**, creating short form scripts (**over 15 sketches are performed in each hour long show**) which deliver comedy that is in turns humorous and original, quirky and literate. The sketches feature a range of scenes and characters including Russian mafia lords, pigs, doctors, hipsters, aliens, and fur enthusiasts. These original works promise to deliver an entertaining hour of theater.

Ego Productions focuses on producing entertaining new works by emerging playwrights.

SUPEREGO: BLAZE OF AWESOME will be their fifth **and last** production in Portland having previously produced a world premiere of the new comedy “The Jack Slate Radio Show” last April, the first installment of their original sketch comedy series “Superego: Your Life is in Danger” this past July, the December run of the second sketch show “Superego: Team Awesome”, and the February/March run of “Superego: Let It Burn”.

The ensemble cast includes **Ricardo Delgado, JR Wickman, Mark Bridges, Jaime Lee and Chris Woolsey**.

Performances for **SUPEREGO: BLAZE OF AWESOME** will run on the top floor of the **Fez Ballroom**, 316 SW 11th, in Portland. **Opening night will be Friday May 27th**.with shows every Friday night, **closing Friday June 24th**. All show times are **9pm**.

The **\$7 price of admission** also includes the 10pm post show dance party **Shut Up and Dance with DJ Gregarious**, spinning a mix of 80s favorites.
